(price includes price of t-shirt)
There will be a 50% fee charged to any reservation that is canceled within 7 days of the day of the camp as supplies will have already been purchased by the reserved numbers.

Sign up your friends and family! Your camper should arrive at 11:50 AM and be picked up at 5:15 PM each day. Lunch & Snacks are included. There must be a completed registration form on file for each child attending. Space is limited and enrollment will be on a first come first serve basis with member's children having priority. Each child will need to bring with them a tennis racquet, tennis shoes, fishing pole, life jacket, swim suit, towel, and sunscreen.

FISHING
Have fun learning the art of fishing. Campers will have a chance to practice for the big Fishoree. After learning some tricks to lure in the big one, the campers will vie for the monster fish. No fish tales, we promise!

SWIMMING
Supervised free swim time and water games. What a wonderful way to cool off during the afternoon!

TENNIS
Get in the swing with our Tennis Professionals. Their careful instruction and extensive experience will be tailor made for the beginner through the advanced player...to not only learn the game, but also have fun!

TEAM BONDING BOAT DECORATING & RACE
Each day the campers will be working on making boats from recycled materials as a team. On the last day of camp, we will hold a race and see who's boat stays a float! Parents are welcome to join us and cheer on the kids!

DANCING
Get ready for the next Oconomowoc Lake Club Tween Dance. Fun for everyone!

YOUTH SAILING PROGRAM

This year we are looking forward to a fun and eventful youth sailing program. We had a great group of Opti sailors last year and hope to build on our 2020 achievements. The sailing program is designed to teach children the fundamentals of sailing and learn a life-long skill and sport. Ideally, we hope to ignite the competitive flame so our children progress from general lessons to racing on Wednesday nights...and eventually competing in off-lake regattas. Generally, the children's ages range from six to fifteen years old. The most important characteristic for young sailors is their ability to pay attention, listen to instruction and a desire to have a lot of fun on the water.

In 2020, our OLC Sailors had a great season with strong performances at many of the regattas. Every year, we keep making strides forward in the sailing program. In order to continue this great progress, we have expanded our sailing hours to more closely match other sailing schools. I have noticed our sailors were getting significantly fewer practice hours than other sailing clubs. More sailing hours will not only make your child's sailing experience more enjoyable, but more competitive and successful in local regattas.

We will attempt to hold classes even if we have inclement weather. During poor weather or no-wind days, we will be doing fun activities or doing classroom training by testing boat and sailing knowledge and watching sailing instructional DVDs. Parents will be called or sent a text message on days sailing is canceled. We will attempt to cancel as early as possible. However, our goal is to hold class and we will wait as long as possible before cancellation. We will attempt to make up those classes missed during the course of the summer season. There will be no refund for missed classes due to the weather. Scheduled regattas may conflict with regular class times. Please check the class calendar which will be given out on the first day of class.

All children are to provide and wear life vests at all times during classes. Life vests can be stored at the Club during the season for easy access. Please clearly mark all personal belongings. Questions regarding youth sailing activities, contact Craig Schiefelbein, Youth Sailing Chairman at 262-370-1620. Or Coach: Logan O'Malley (262-501-0464) for more information!

YOUTH SAILING LESSONS

Class Location: Oconomowoc Lake Club
Youth Sailing Chairman: Craig Schiefelbein
Head Instructor: Logan O'Malley
Class Dates: June 12th - August 15th
Sign-Up Deadline: May 31st (sooner the better)
(Class schedule is subject to change based on interest in program)
Register: On Sign up form or by emailing olc@clubolc.com

BEGINNING OPTIS:

Monday: 1:00 - 4:00 pm (8:30 AM arrival for set-up) & Tuesday: 9:00 AM - 12:00 PM

This class is designed for the beginner sailor or the sailor who is not sailing on his/her own. Sailors will be introduced to the Opti sailboat. Students will get comfortable sailing with an instructor or another student. Eventually, each sailor will progress to sailing by themselves and participate in Wednesday night races.
Cost: $435.00

EXPERIENCED OPTIS:

Monday: 9:00 AM - 12:00 PM (8:30 AM arrival for set-up) | Tuesday: 1:00 - 4:00 pm

This class is designed for those sailors who can sail by themselves. We will fine-tune sailing skills and get sailors ready for participation in on-lake Wednesday night races and off-lake regattas.
Cost: $435.00

WEDNESDAY MORNING CLASS:

For both sailing capabilities: Wednesday: 9:00 AM - 12:00 PM (8:30 AM arrival for set-up)

All sailors are encouraged to come out on the water. We will run through some mock races and prep everyone for the Wednesday night race.

OPTI WEDNESDAY NIGHT RACING SERIES

Wednesdays: 6:00 - 8:00 PM (5:15 PM arrival for set-up)

If your child is participating in the Wednesday Night Races, we request that at least one parent or adult from each family be present and participate in helping to facilitate the races. The participation includes overseeing the set-up of the boats, the set-up of the race course, launching the sailboats, running the chase boats and spectator boats and putting away the sailboats and equipment at the end of the races. This is not a difficult task. Besides, you can cheer your kids on.... it's a lot of fun!

PRIVATE LESSONS

For sailors who want a little extra practice, or maybe cannot commit to the full summer program, private lessons are a great option! Private lessons are $30 an hour. Contact Logan O'Malley (262-501-0464) for more information!

SPECIAL YOUTH SAILING MEMBERSHIP

The OLC Youth Sailing Membership is a great opportunity for families to introduce their children to sailing without the full club price tag. The membership costs $200 per year (plus racing fees etc. if used). Families are welcome to dine at the lake club and watch their kids sail at our Wednesday night regattas!

RACING OPTIS: OPTI REGATTAS**

LAKE COUNTRY OPTI REGATTA SERIES

The L Regatta Series consists of five Friday regattas to get sailors more familiar with regatta sailing. They are a great way to get the feel for regattas and meet sailors from other lakes. We strongly encourage all sailors to attend. The regatta dates are tentative and will be verified during the season.

ILYA REGATTAS

Along with the LCO Series, there are many ILYA regattas this year as well. Many of them are directed toward new sailors; they help sailors get comfortable in their own boats and in the racing environment. These regattas also help parents see what to expect at more competitive regattas.

Monday, June 28th
Lake Beulah Fun Regatta – Lake Beulah
This regatta is great for new sailors who have never sailed in a regatta before. The name says it all, it's a fun regatta!

Friday, July 8th
Opti TRAC Regatta – Cedar Lake
The TRAC stands for Training Regatta at Cedar. It serves as a learning opportunity for sailors who are new to regattas or still getting comfortable with the regatta setting.

Monday, July 26th
Opti No Tears – Cedar Lake
This is an event for introducing kids to regatta racing; it will help acclimate new sailors to regatta sailing. It is geared towards new sailors, but all are welcome!

Thursday, August 5th,
Opti Pram Power – North Lake
The Pram Power regatta is open to all sailors, but geared towards getting beginners more comfortable with racing in regattas. North Lake is a perfect venue for Opti regattas and offers fun sailing with games and activities between the races.

Wednesday, & Thursday July 14th – 15th
GLSS Opti Regatta – Lake Geneva
The GLSS is a two-day regatta designed for sailors of all skill levels. It is a bit more competitive given that it is two days long, which allows for more races.

Thursday, July 22
Opti BOP'N Regatta — North Lake
The BOP'N regatta is open to all sailors on Beaver, Oconomowoc, Pine and North Lakes. This makes it a fabulous regatta to get to know sailors from nearby lakes as well as better racing skills in a welcoming environment!

Sunday-Tuesday, August 1st- 3rd
Opti Inland – Lake Beulah
The Inland is the Opti Championship! Sailors from all over the Midwest come together for the biggest regatta of the year! The Inland is competitive but an extremely fun event. This year it is on White Bear Lake in Minnesota, so overnight accommodations are necessary.

Monday and Tuesday, August 9th -10th,
Opti RWB Chip - Lac LaBelle
The Red, White, and Blue Chip is an invite-only regatta. It is an opportunity for the most competitive sailors to put their sailing skills to the test at the end of the season.

**It is recommended to sign up for regattas sooner rather than later. This way entrance fees are lower, and we can get a headcount of our sailors for the instructors. Regattas are fantastic opportunities for sailors to get more comfortable on the water, especially in the racing environment. Regattas also serve as a way for young sailors to meet other young sailors and grow their love for the sport. If you are considering sailing a regatta, try it out! Regattas add to the sailing experience and are a great way to see if you want to pursue the sport further! *Source: https://www.plss.org/plssregattas*

YOUTH SAILING AWARDS

All youth sailors are eligible to compete in the Opti Wednesday Night Racing Series and are welcome to enter at any time. Awards are given for the Opti Wednesday Series Winner, Opti Sportsmanship, Opti Most Improved, and Most Outstanding 1st Year skipper.

BOAT RENTAL

Students not owning their own Opti/Pram should register for the use of the Club's boats. To cover the cost of maintenance, there will be an additional fee of $65.00. Any damage to the Club boat and/or other student's boat(s), beside general wear and tear, will be the responsibility of the student/parents causing the damage. Determination of fault will be made by the instructors or judge overseeing the activity.

PARENT PARTICIPATION

All parents will be asked to participate in the program during the course of the sailing season in several ways.

MEET YOUR SAILING INSTRUCTORS

HEAD INSTRUCTOR

LOGAN O'MALLEY

Hi everyone! My name is Logan O'Malley and I am a junior at the University of Mississippi studying Mechanical Engineering. I am thrilled to be entering my third year of coaching at the Oconomowoc Lake Club. I began sailing optis on Pewaukee and Beaver Lake at a young age and soon moved to X-boats on Pine Lake. Now I sail my boat C-boat the V-13 on Pewaukee Lake and I will also be crewing on an E scow and an A scow. I am very excited to see everyone and hoping to get as many sailors out on the water as possible this summer, it is going to be a blast!

ASSISTANT INSTRUCTOR

LUCA MARBAN

Hi! My name is Luca. I am going to be a freshman in college this fall. I started sailing at age 4 in Optis on North Lake and have sailed Optis and X boats on Pewaukee and Pine. I coached on Pewaukee for two years working mainly with Optis. I have also sailed Lasers, 420's, M17s, E-Scows, A-scows, Melges 20's, 24's and other big boats part time. I can't wait to coach this summer and meet all of you.

YOUTH TENNIS PROGRAM

As in past seasons, we will be offering a full range of youth group lessons, beginning with Red/Orange Ball Tennis for youth ages 4 to 6 years of age and continuing through our NEW OLC Academy. Those students between the ages of 10 to 18, desiring competitive match play should sign up for our Jr. Inter-club play and other match play opportunities. Note: Grandchildren of members are eligible for all youth programs. Youth lessons begin Monday, June 12th. All junior members are eligible to participate in OLC Jr. Club Championships. Dates and formats will be announced at the beginning of the summer.

Tennis Pro, Tim Hartwick along with his assistants are looking forward to serving your summer tennis experience at OLC. Questions regarding youth tennis activities, contact Tim at (920)-650-6923.

RED/ORANGE BALL:

Wednesday/Friday 10:30 – 11:15 AM

A fun, introductory tennis class for our youngest group of tennis players. Players will use low-compression tennis balls and a shorter court so they can best learn ball control and basic strokes.
Ages 4-6 $325/Summer Session

GREEN BALL:

Wednesday/Friday 11:30 AM – 12:30 PM

The next level-up for players who "graduate" from the Red/Orange Ball class and can begin to hit on a bigger court. These players will continue to progress their stroke technique while also learning to rally and score.
Ages 7-9 $425/Summer Session

UPDATED PRICING:

OLC JUNIOR DEVELOPMENT:

Monday/Thursday 12:00 – 1:30 PM

These players are all strong enough to hit on a full court and use regular compression tennis balls. This class will focus on developing the strokes, footwork, and skills needed to rally. Additionally, players will start to play out competitive points/matches.

Ages 10-14 $27/class

OLC ACADEMY:

Monday/Tuesday/Thursday 10:30 AM – 12:00 PM

The highest level of our Junior Program. Players in this class will focus on refining their strokes as well as higher-level singles and doubles strategies to become more successful in match play.

Tournament or High School tennis experience is required $27/class

Registration for these classes must be done one week in advance & a class fee will be applied if registration is cancelled within 48 hours of a class. These policies ensure adequate staffing for the drills so they are always of the highest quality.

SIGN UP: For early registration, in either of these classes, please email olc@clubolc.com the dates you can &/or can't attend. You will also have opportunities to sign up during the season, on our club app once it becomes available.

INTER-CLUB & MATCH PLAY:

Wednesday 1:00 PM

The Summer Inter-Club Junior Circuit will consist of home and away matches versus other tennis clubs in the Greater Milwaukee area. Players will have opportunities to play both singles and doubles matches. Open registration for matches will be announced when the 2021 Inter-Club schedule is released.

Ages 10-18 $12/match

JUNIOR CLUB CHAMPIONSHIPS

All Junior members are eligible to play by contacting Head Professional, Tim Hartwick. Sign-up dates and times will be announced at the start of summer.

ADULT GROUP SAILING LESSONS

This will be our eleventh season of racing MC Scows at the Oconomowoc Lake Club. Our fleet's focus is on having fun on the water, while participating in the life long sport of sailing. This was the reason for the formation of our Club back in 1890.

We are looking for members that are interested in sailing and/or judging at the OLC. It is a great excuse to get off your sofa or get out of your yard and join us for some great fun on the water. We sail two times per week (both races not required) and end up at Dockside having food and drinks with good friends. What could be better than that? In addition, we invite interested sailors on the boats for Thursday races. Spectators are always welcome aboard the judges' boat to watch races and learn how to judge and race.

"Adult" group sailing lessons will be offered, based on interest. This is in addition to private sailing lessons. The lessons will teach the fundamentals of sailing with classroom and on-the-water lessons. Ideally, our goal is to get you into the weekly fleet races. The Lake Club is fortunate to have its own Club MC boat to teach lessons. In addition, we can do some on-the-water training in the youth Opti boats. Based on lesson demand, we will create a schedule that best works for the group. Price will be determined when the class is scheduled.

Please call or e-mail Jef if you have interest in the great sport of sailing. We look forward to having you sail with us.

See you on the lake,

Jef Fitch
